**NEWSLETTER – May 2009**

Our next ASPIA support group meeting will be this coming

**Saturday 2 May**, 2pm – 5pm

Clinical Psychologist Dr Julie Peterson will be joining us to facilitate discussion on realistic relationship expectations. At our last support group meeting we were unexpectedly visited by an adult with Asperger's Syndrome who suggested to us that AS partners could be expected to take much more responsibility within a relationship than many in attendance had previously come to accept. The possibilities this person raised resulted in a great deal of confusion and emotional distress being expressed within our meeting. Julie has graciously agreed to join us this week and discuss with us the issue of realistic hope.

College of Nursing, 14 Railway Pde, Burwood, 2<sup>nd</sup> Floor.  
\$2 Members / \$5 Non-Members (covers room hire, etc)  
Please bring something to share for afternoon tea.

ASPIA is a support group specifically focused on the recovery needs of the non-Asperger partner in a relationship. Psychologists regularly attend for the purpose of educating us and answering our questions. Without their input we could not move forward.

Adults with Asperger's Syndrome who would also like education and an opportunity to discuss relationship issues in a group context please contact Psychologists Jeroen Decates on 0402 028 588 or [info@jdpsy.org](mailto:info@jdpsy.org) or Eleanor Gittins on 0408 954 358 or [janetgittins@hotmail.com](mailto:janetgittins@hotmail.com) who both co-ordinate support groups specifically focused on the needs of people with Asperger's Syndrome.

**ASPIA MEMBERSHIP DRIVE**

**1st May marks the beginning of ASPIA's next Membership Year.**

Membership Applications are invited from partners, ex-partners and others who identify as needing support, information and understanding from the non-Asperger perspective. This is not in any means to be seen as discriminatory, but focused on the needs of one group of people with a shared experience and who have no other safe or relevant place to discuss issues and gain insights (parents of adults with AS are also welcomed).

Membership is \$55.00 per person/family per year and entitles members to discounts, library borrowing rights and inclusion on a peer support contact list.

As mentioned above, for adults with Asperger's Syndrome who would like to be part of a support or focus group specifically for AS adults, please contact Eleanor Gittins on 0408 954 358 or [janetgittins@hotmail.com](mailto:janetgittins@hotmail.com) (general group) or Jeroen Decates on 0402 028 588 or [info@jdpsy.org](mailto:info@jdpsy.org) (mens group)
